Handbook and policy compliance is an essential aspect of doing business because, should the employer face a lawsuit where its policies are at issue, the handbook may be used as favorable evidence to argue the company's compliance with the law. Furthermore, handbooks and policies guide our leaders to comply with applicable law.

Tips For Employers For Compliant Handbook Policies And Practices ...

A cartel is a group of independent market participants who collude with each other in order to improve their profits and dominate the market. Cartels are usually associations in the same sphere of business, and thus an alliance of rivals. Most jurisdictions consider it anti-competitive behavior and have outlawed such practices.

To obtain better value for investments made in health care, significant discussion has emerged on how best to align economic and health incentives to achieve these goals (Dudley et al., 2007; IOM, 2007; Orszag and Ellis, 2007). Focusing on providers, attention has turned to the current fee-for-service reimbursement model. By placing the incentives on volume over value, fee-for-service fails to ...
