In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Our director, Dr. Alan Wolfelt, has been recognized as one of North America's leading death educators, authors and grief counselors. His compassionate messages about healing in grief—based on his own personal losses as well as his professional experience supporting children, teens, adults, and families over the last three decades—speak not only to the intellect but to...

About Dr. Alan Wolfelt - Center for Loss & Life Transition

Richard Howard Stafford Crossman OBE (15 December 1907 - 5 April 1974), sometimes known as Dick Crossman, was a British Labour Party politician. A university classics lecturer by profession, he was elected a Member of Parliament in 1945 and became a significant figure among the party's advocates of Zionism. He was a Bevanite on the left of the party, and a long-serving member of Labour's ...
