Click

The plot is similar to an episode of R.L. Stine's Goosebumps (1995) season three, episode five, "Click", in which a child orders a remote that controls not just the television, but the world around him. Not unlike Sandler's version of the story, the remote proves to be addictive and have dire consequences.

Click (2006) - IMDb

Click is a Python package for creating beautiful command line interfaces in a composable way with as little code as necessary. It's the "Command Line Interface Creation Kit". It's highly configurable but comes with sensible defaults out of the box.
