### Congress And Its Members Agreatbooksite

Congress and Its Members. "I think Congress and Its Members is a near-perfect example of what a textbook is supposed to be. It provides a clear foundation of factual knowledge for students, along with an accessible summary of the current state of scholarly knowledge in the field, and well-chosen examples from today's headlines to better enable students to understand the implications of what they have read."

### Congress and Its Members | SAGE Publications Inc

"For me, Congress and Its Members provides the best combination of foundational knowledge about Congress, summarization of the current state of empirical research on Congress, and timely examples from current events. The organization, structure, and presentation of the material in the book is clear, logical, and very easy to follow."
