Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

They only offer Comprehensive Lecture Videos, Mock Exams and the Eleventh Hour Review Guide for Level 3. I used the Eleventh Hour Guide extensively for 1 and 2, so I'm glad they at least offer those. Their mock exams are also very good. I'm taking a course as my primary study method and I found Elan to be the best complement, as opposed to Schweser.
