Aside from being most beautifully written thing I have ever read, Beloved is a feat of liberatory work, a love letter to Black women, and a touchstone for the complexities of today's Black freedom struggle. Morrison's iconic title character is the time torn spirit of a nameless Black baby murdered by her own mother.

"Beloved" Is a Love Letter to Black Women | Bitch Media

Enslaved women in every state of the antebellum union considered freedom, but it was a livelier hope in the North than in most of the South. Many slaves sought their freedom through self-purchase, the legal system of freedom suits, and as runaways, sometimes resulting in the separation of children and parents.

Female slavery in the United States - Wikipedia

During the 19th and 20th centuries, Black women played an active role in the struggle for universal suffrage. They participated in political meetings and organized political societies. African American women attended political conventions at their local churches where they planned strategies to gain the right to vote.
