Mental Health Service Provision For

Improving the mental health and wellbeing of Queenslanders. The Commission acknowledges Aboriginal and Torres Strait Islander peoples as the traditional owners and custodians of this country.

Queensland Mental Health Commission | Improving the mental ...

complications if they also develop mental health problems, increasing the cost of care by an average of 45 per cent. Yet much of the time this goes unaddressed. There is good evidence that dedicated mental health provision as part of an integrated service can substantially reduce these poor outcomes.

The Five Year Forward View for Mental Health

Development. The case management model developed in the US was a response to the closure of large psychiatric hospitals (known as deinstitutionalisation) and initially for provision of services which enhances the quality of life without the need for direct patient care or contact. Clinical or therapeutic case management then developed as the need for the mental health professional to establish ...
