Editorial Reviews.

Miracles Every Day is an astonishing book not just because the story of a man's ability to heal is real, but

because you can sense the truth of this man's power and grace on every page. This book renews your faith in prayer, healing, and the Divine.” - Caroline Myss, author of Defy Gravity and Anatomy of the Spirit

Number one, it was God's grace. Other than that, it was countless little things that went her way, countless little miracles that happened every day and made the difference between life and death. There are often no clear answers to how the body has managed to heal itself and come back from such hopeless conditions.
