With millions of systems deployed the NVG PVS-14 gen 3 night vision monocular is the standard military issue night vision goggle for the US/NATO military forces and is the all-around best multi-functional night vision monocular available.

NVG PVS-14 Gen 3 Night Vision Monocular | Night Vision Guys

The night vision is equipped with a low-light HD 1/3 CMOS sensor, all-optical glass lenses and BAK4 FMC broadband coating. It is easier to catch dark light and more power-efficient than a night vision device using a booster tube. When out in the wilderness at night, avoid the risk of sudden power failure and easily observe your targets.
