A slideshare introduction to The Presentation Lab

A PowerPoint® Presentation Design Lab Learn the secrets of the slide-making craft and transform the way you work in PowerPoint in this course, developed by Duarte's own dynamite designers. We start with a bit of theory—five presentation design principles that'll guide all your work.

PowerPoint® Presentation Design Lab

The Presentation Lab makes very clear upfront that readers will not learn how to create more visually appealing or better designed slides. And while this is one of the more illustrated business books I've read in a while, it just isn't about the visual side of effective presentations, but rather what needs to go into a presentation's intent, structure and story creation.
