Loved the series, buy complete set I first read book one which was free. I loved it and was gifted the complete set. So heads up, just buy the set. There was a few editing issues but very well written. I hate might mini series unless it's completely written and sold in a set. I have read other books buy this author and love her work. Overview.

The Interview - Complete Series by Lucia Jordan

A near-death experience has also left Eli with the ability to hear ghosts. In this complete series, 29-disc set containing all 107 episodes, Melinda meets a world of lost souls with messages for those they love. And she vows that she won't rest in peace until they do.
