About You Have Seven Messages. A smart, heartbreaking mystery about unexpected love, art, family, and finding yourself. It's been a year since Luna's mother, the fashion-model wife of a successful film director, was hit and killed by a taxi in New York's East Village. Luna, her father, and little brother are still struggling with grief.

You Have Seven Messages is one of those books that is difficult to make work. It is a difficult task to craft messages that are both clues, and yet not outside the realm of ordinary. A strange aspect of this book is that the main character is referred to by FOUR different names; Malia (her mother), Moon (by her father), Luna (by her friends) and Fifteen (by Oliver)!
